Hip Hop at SpectorDance is a high energy and power packed class, designed to challenge each student regardless of their experience level. The material taught in this class is similar to what is seen in the music videos of your favorite artists and presented in step by step method. The class is taught by Christopher Lomboy, who is the lead choreographer of the Monterey County's dance group UniverSOUL. He is eager to introduce and arouse interest and excitement for hip-hop dance to as many people as he can.

Sign up by April 15 and get \$5 off (for all 3 classes only)
