What are your goals for the week-long residency? (Use bullet points):

- _____
- _____
- _____

Artist's Statement: (Describe your artistic practice and what motivates you to create dance works)

Residency Project: (How do you anticipate using the week-long residency program? Why is this time and space important to you now?)

You will be required to write an evaluation about your residence experience at the end of your residency.

SpectorDance provides the Sadie-Rose Residency Program because we believe that space and time are critical for artistic growth and that the arts are critical at this moment in human history! We will tailor each residency to the needs of each artist selected. We will do our best to nurture you!

Thank you for your interest.
