SpectorDance is currently expanding our Board of Directors. We are seeking to develop a pool of board candidates who meet our current strategic needs.

The SpectorDance Board of Directors meets once a month and members also serve on committees. Currently, the Board is involved in a strategic planning process. We are thrilled to be working with consultant Lisa Bennett to create a Fund Development Plan and Board training in fundraising.

SpectorDance is a place for families, the community, and our Board of Directors to enjoy being involved with our friendly, interesting, creative, and uplifting environment. The Board Members have the opportunity to help this emerging performing-arts organization with a solid track record become a household name throughout the region. Board Members will be part of helping SpectorDance move to the next level of organizational effectiveness, from a minimal staff to a larger, professional staff. Board Members work together with a group of smart, talented, committed people with a variety of backgrounds. SpectorDance Board has the exciting chance to help build our professional touring company, which performs cutting-edge works that address critical social issues of our day. Being on our Board provides a rewarding association with talented community members, committed young dancers, varied outreach programs, and professional visiting artists.
